8 is Enough: Sunday December 12th at 2:00 pm with Potluck at 1:30.

It takes planning on the Director's part to set up the movement for a Swiss Team Game, so we are asking you to have your **team reservations in to Georgia Ringo no later than noon on Saturday December 11th** so that she does not have to change the whole movement at the last minute just before the game. This will be greatly appreciated.

Thursday Evening 99'er game has been increased to a 199'er game, still by averaged master points.

Cookbooks: The new order of Cookbooks has arrived just in time for your Christmas gift giving! They've been a big hit. Your friends and family will love them, and they're a nice hostess gift if you have been invited to a holiday dinner. See Claudia Haller to purchase them.
