Lexington Bridge Club News
May, 2011

Kudos for new Masters: Congratulations!!

Junior Master: Daniel Storch
Sectional Master: Dr. Mark Wiljanen
Life Master: Pat Peck
Bronze Life Master: John Hinkle

Free Lunch – Once again, on Thursday, May 26th at 11:00 am, the Lafayette Retirement Center will again serve lunch for our members before the game. For reservations, you can sign up on the sheet at the club or e-mail Sondra Holt at seholt37@insightbb.com.

Please note on the calendar that May 22nd is **ACBL President's Day**. That is the day that ACBL President Craig Robinson will be visiting our club, playing bridge in our 8 is Enough Game and sampling all the tasty treats we bring for our potlucks. Let's be sure to have a great turn-out and bring your best recipe. The pot luck starts at 1:00 pm, so come early and socialize with our president.

President Robinson hails from the Philadelphia area where he was a scientific programmer for RCA and changed careers to financial programming then accounting and served as controller for Rohm and Haas Company. Mr. Robinson is doing a 100 club tour in 100 days, a most ambitious undertaking. Be sure to read the article about him in the January BRIDGE BULLETIN and extend to him a hearty welcome as he visits with us.

Summer Bridge Camp is once again on the horizon. Classes will be held on Tuesday and Thursday evenings between June 7th and July 7. Participants can e-mail lynnfrederick@roadrunner.com or call 859-221-4942 to register. We will also register campers on the first evening of camp.

The **May Sectional** is coming up on May 13 – 15th. The hospitality committee for the Saturday luncheon is once again comprised of your tried and true 99'ers...Lynn Frederick, Louise Parker, Sydney Bastin, Nancy Garriott, Barbara Hodgman, Lisa Estes-Cheatham, and Sandra Kestner. The menu will again be pulled pork and chicken sandwiches and **the team is asking members to contribute salads and sides. Of course, we will gratefully accept financial contributions** which can be given to any committee member or your game director who will pass it on to us. We extend our most sincere thanks for your contributions to the January tournament hospitality. They were very much appreciated.

April 21st marked the **2nd Anniversary of your new club**. How time flies!

There's a new class coming up called **"Learn Bridge in a Day"**. It will be a Saturday class taught by Sandra Marlin, so be thinking about friends you would like to invite. Stay tuned for more info....

Have you noticed the **improvements in our entrance** foyer? If you like it, please thank Andra Gyor for her ideas, assistance and donations! She made it happen! Thanks, Andra!

Tuesday Evening Games will be cancelled beginning this month due to insufficient attendance.

April 2011 Calendar Highlights:
