His son, Larry, said our “organization held a special date on his Dad’s calendar every week, and he truly loved the camaraderie and friendships he made here.” Larry was “particularly grateful to our members who were so very kind to him after his health begin to fail. He loved the cards you sent, and I read every name to him each time he received a card.”

**Cookbook Sales:** We have a few Cookbooks left and have reduced the price to \$10. These will make excellent Christmas gifts!
