Be Scent- sative, Please

Because duplicate bridge requires players to be in close proximity to each other, individuals who suffer from fragrance-related allergies cannot avoid those who are wearing them. These allergies can trigger headaches as well as breathing related problems. The ACBL asks that players give it the consideration it deserves, here at the club and at tournaments.

Our Newest Diamond Life Master.

Congratulations to Harry Gordon on becoming a Diamond Life Master. We will celebrate his achievement on Sunday, December 14th at 1:30 pm with a catered Subway luncheon and game. Join us for this special occasion.
