Charity Games in May

Check the calendar for the many club charity games this month. Extra points are available as we help the celebrate Grass Roots Month. All money raised is returned to the District to help with our district winner who attend GNT and NAP.

The Longest Day Celebration

Our club will, once again, participate in the fundraiser for Alzheimer's Research on Monday, June 22nd. We will also be selling raffle tickets for a year's free bridge games beginning on Monday, May 18th. Tickets are \$25 each or 5 for \$100. The cost is tax deductible and will help a great cause. We will draw the winner at the game on June 22nd. Once again Donna Loeffler will head up the event. Thanks to her and everyone who will be participating.

Call the Director!

We all know that a player may only use a psych bid once in a session. But who's to know? If you believe that an opponent has used a psych bid, call the director so that he/she knows that it has occurred and can assess a penalty should anyone else call him/her for the same offense during the session. If you and your partner are the only ones who know, then the opponent can use it against someone else later on in the same session.
