April is Charity Month

During the month of April, there will be a number of games to benefit both local and national charities. The games will be one dollar extra and will award increased points. Be sure to check the calendar.

ACBL to Increase Table Fees

Beginning in April, the ACBL will increase table fees to all clubs. The board has voted to maintain our current fees and to run a cost analysis later this year to see if we can keep the table fees the same for our players.

Reminders

Several people have said that the games feel like they are taking longer. The problem seems to be getting everyone seated and ready to play on time. Try to come a little early and let's help the directors by getting to our seats and being ready to play when the game is scheduled to begin.

If there is a irregularity at your table, *please call the director immediately!* Their job is to fairly mediate the situation and keep the game moving.

Upcoming Tournaments
