Make plans for the Spring Sectional

The Lexington Spring Sectional will be held May 13-15 at the Clarion Hotel at the Athens-Boonesboro exit on I-75. Make plans to play in the pairs and teams events that weekend.

Call the Director!

We all know that a player may only use a psych bid once in a session. But who's to know? If you believe that an opponent has used a psych bid, call the director so that he/she knows that it has occurred and can assess a penalty should anyone else call him/her for the same offense during the session. If you and your partner are the only ones who know, then the opponent can use it against someone else later on in the same session.

We're Officially a tax-exempt Organization
